We are privileged to be entrusted with the development and education of the children in our care.

Founded in the 80's. We are passionate about the youth of our future. We educate and care for children from 3months to 6 years of age.

We are committed to SA and take up the challenge of stewardship of education in our school. It is a privilege to be entrusted with the education and development of children in our care and we dedicate our efforts to fulfilling the needs for professional, effective and quality childcare in a challenging and stimulating environment.

Nurseries

The children’s programme includes art projects and activities relating to a theme. These themes run weekly covering a variety of fun and exciting topics. (e.g. Creepy Crawlies; All Things Wild and Beautiful; Sliding and Gliding). Cutting skills, counting, colours, shapes, etc. are all included in these activities. Through storytelling, music, drumming, fantasy play and playing on the outdoor equipment the children are further stimulated in their quest for knowledge.

Playing with blocks, puzzles and other educational toys develops the eye and hand co-ordination and fine motor skills, while playing on apparatus exercises large motor co-ordination, balance etc.

Dolphins

2 years - 3 years
