Since opening our doors in 2008, Sandton Montessori has been a nurturing home away from home for little ones from the time they are walking until 6 years old (Grade R).

Rooted in the Montessori philosophy, we believe that every child has the ability to learn, grow, and thrive at their own pace.

Our school is proudly multicultural and multifaith, creating an environment where children are celebrated for who they are and learn the values of respect, kindness, and
inclusion. We also warmly welcome neurodiverse children, as we know that each child's uniqueness is what makes them capable and extraordinary.
We are proud to be members of the South African Montessori Association (SAMA) and fully accredited by the Department of Basic Education (DBE), giving families the
confidence that our school meets the highest educational standards.

What We Offer
• Flexible hours: Full day (7:30am – 5:00pm) and half day options available.
• Three-term school: Our school calendar follows a 3-term year, giving families a balanced rhythm of learning and rest.
• Holiday Club: Fun-filled programmes during the long holidays ensure children are engaged, happy, and cared for while parents are at work.
• Enriching curriculum: Montessori-based learning combined with creative and stimulating activities.
• Small classes: Ensuring individualised attention from our qualified teachers, all of whom are trained in first aid and fire safety for your peace of mind.
• Extra-curricular activities: Soccer, gymnastics, ballet, computers and coding, chess, drama, and Clamber Club, encouraging children to explore their passions.
• Academic Support Unit: On-site specialists offering physiotherapy, speech therapy, occupational therapy, and play therapy, giving children the support they need to reach their full potential.
• Nutritious meal options: Balanced and wholesome meals to fuel busy little minds and bodies.

Our children also enjoy a large playground set in a natural garden, where outdoor play and exploration are an essential part of the day. From laughter-filled fun days and sports days to magical concerts and shows, we create memories and experiences that last a lifetime.

At Sandton Montessori, every day is an Open Day – we'd love for you to come and see our school in action. Visit us today and discover a safe, loving, and fun-filled space where your child's journey of learning and wonder begins.
