Where good friends meet to learn and play

Clever Cats Farm School is situated on Langeberg Road on the outskirts of Durbanville. **Fresh air, fun and wholesome education** are all part of any days' activities.

Because your child is important to us, we look at each child as a unique individual. Our holistic approach includes looking at nutrition, forming boundaries in a fun way and most importantly, stimulation through play.

Clever Cats is situated on 5000 square meters of property, offering absolute freedom for our children to explore and play to their hearts' content.

Not even rainy days can take the fun and play out of our children's day, with **our amazing indoor gym, complete with ropes, slides and 10 000 piece ball pond,** which means, come rain or shine, your child will be getting the physical exercise they need every single day.

We offer:-

Morning attendance only 07h30 until 13h00
Full day care 06h30 until 18h00

Ages: 4 months to 5 years

Access to Clever Cats is controlled, ensuring that no unauthorized persons can gain entrance to the premises.

MY FOCUS IS SIMPLE:

Parents - to ensure that we provide a quality, stress free service to our parents, while creating a relationship of trust and confidence in the fact that your child is being cared for to the highest of standards.

Staff - I believe that the people directly responsible for taking care of our children are of the utmost importance, and creating a pleasant and well organized work environment that enables them to care for our children with love and kindness, patience and compassion, is an absolute priority for me.

Children - Our children are the most precious people in our lives. The stage between birth and five is one of the most critical phases in their lives, where each and every experience will ultimately determine what kind of person our child will grow up to be. This is the time where we subtly guide our children and instil in them a sense of independence, respect for each other as individuals, and through the examples we set and the environment we create for them, teach them about kindness, patience, friendship and love. These are the values we pride ourselves in at Clever Cats.
