Little Lulu Day Care Centre

Established in 1989 and still going strong. We are a well established, safe and secure country Crèche/Nursery School.

Run by the owner Lorraine Reiser, also known as Lulu and backed by extremely supportive and caring staff members, who are always prepared to go that extra mile to make all the children and parents happy.

Our school motto is:

"We guarantee happiness, love and attention at all times. We're like a happy family and provide a home away from home."
