**We at Smiley Kids Morningside aim to provide the very best possible start to your child's education through constant research and engaging teaching methods. We strive to give quality education to our children and provide an excellent service to our parents.**

As part of the Smiley Kids Early Childhood Development Association we uphold a high standard of education through yearly audits and constant training of our staff.

As a multifunctional learning facility, we cater for children from 4 months to 24 months in our exclusive baby centre and from 2 years to 6 years in our main school.

We also offer not only the trade aftercare but supervised homework sessions to assist our aftercare students up to grade 5

We supply 2 main meals (breakfast and lunch) and 2 snacks. Our Babies follow a balanced menu which was developed by a dietarian, to ensure that your baby receives the correct nutritional intake.

We offer:

-Various extra mural activities,
-Reports (3 times per year),
-Open during school holidays,
-Access control to property,
-CCTV monitoring,
-Therapy on site, Occupational Therapist and Speech Therapist.

***We are registered with all the required educational departments.***
