King's School Goodwood Enrolments for 2021 are Now Open!

King’s School Goodwood Enrolments are now open for the January 2021 Intake, and we look forward to welcoming all child/ren aged 2 years to grade 7. We invite all parents, guardians, and learners to join our **OPEN DAYS** on Thursdays, 29 October and 19 November 2020 (10:00 – 12:30); as well as our **INFORMATION MORNING** on Saturday, 14 November 2020 (09:00 – 12:00).

King’s School Goodwood is an independent school established in 2003. Our mission is to provide a MULTI-FACETED, QUALITY EDUCATION in a warm Christian environment in order to bring out the potential that God has for each child. We offer excellent Pre-primary and Primary education, and our curriculum stimulates the intellectual, social, emotional, spiritual, and physical growth of your child.

By enrolling at King’s School, your child will embark on an exciting journey of discovery through a stimulating programme. Children in the younger classes engage in various perceptual, motor, social, emotional, and life skills. In the Foundation Phase, we embrace a broad and balanced curriculum that meets the requirements of the Western Cape Education Department, as well as exciting influences from other curricula.

What makes King's School unique are our focused small class sizes from age 2 to Grade 7; well-qualified, innovative teachers; well-rounded and balanced curriculum; caring Christian environment; sound Biblical

foundations; secure indoor and outdoor facilities; stimulating extramural activities; early care and aftercare options; and the location at N1 City is ideal for N1 freeway commuters.

KING'S SCHOOL IS A VIBRANT and HAPPY SCHOOL, WHERE WE AIM TO INSTIL A LOVE FOR LEARNING IN YOUNG LIVES.

"*We love King's School, from the passionate and dedicated teachers and staff, to the curriculum and caring environment! It has been an absolute pleasure watching our son grow and progress the way he has*."
Natasha April, Parent, Grade 1
